

BOOKS

"The only difference between who you are today and the person you will be in five years will come from the books you read and the people you associate with." — Charles Jones

ProfitablePartnerships

Bible — Hard to beat for life and business lessons. Commit to reading it more than you have been.

Rich Dad Poor Dad — Robert KIYOSAKI
The book that got many people started on their journey out of the 'rat race.'

The E Myth Revisited — Michael GERBER
The transition from technician to CEO. Are you really an entrepreneur or simply a skilled worker?

How to Win Friends and Influence People
— Dale CARNEGIE
Old school classic. The foundation for how we should deal with people.

The Art of the Deal — Donald TRUMP
An enjoyable read and glimpse into what makes this titan of real estate tick.

Think and Grow Rich — Napoleon HILL
Another classic! Reveals the secret to getting anything you want out of life.

History of the Second World War — Winston CHURCHILL

Read about the struggles of this top 'power performer.' His leadership and creativity hold many lessons applicable to business and life.

Failing Forward — John MAXWELL
If you can "change your perception of and response to failure" your mistakes can become stepping stones.
